Welcome > Verify email

The email verification code has been sent to mwest@quarrydale.notts.sch.uk. To confirm this valid please enter the code from the relevant email in the box below.

If this email is not in your inbox then there are three possible reasons for this:

- Your computer email filter settings or those maintained by your internet service provider have diverted the message to a junk/spam mail folder. Please check this.
- Your internet service provider may be extremely busy, and therefore may not have been able to deliver our message. Please be patient and look again later.
- The email address recorded here as above may be incorrect. You can change the email address in the Personal details section of your application. If you do this you must click on 'save' to save your details. You must then request that the verification code is reissued by clicking the relevant link below.

If the code is not accepted please make sure that the email was sent after you requested a new code. If it was sent earlier, then the code will be invalid because you requested another verification code since that time. Make sure you use the code from the most recent email.

Please enter your email verification code below to verify your address is mwest@quarrydale.notts.sch.uk:
